Game play instructions

Each team will have 3 (three) 20 minute games with 5 minutes to rotate and get next game started
Games will be 3v3 or 4v4 cross ice games with NO goalies (if both teams have 8 players play 4v4 to max ice time)
We will be using the mini nets and will use some tires to block a bit of the net
One coach on the ice from each team, with another coach on in the bench area to help
When a goal is scored the team that scored must back out and give the team that got scored on a chance to get puck and start attack
Sylvania Coaches will blow a whistle every two minutes for a line change
There is 5 minutes slated between games please get your team moved ASAP so we can stay on schedule
Please limit the number of people to help your son or daughter get dressed as it will be cramped
Have Fun!
