Get the skinny on the evolution of ice resurfacing and the Zamboni

Safe Operators Course
Learn the "ins and outs" of safe operation from our trained staff. Also, see what it takes to create a sheet of ice from the floor up and the proper steps to maintaining a perfect sheet of ice.

Drivers Training
Hands-on experience behind the wheel of the machine itself. Our instructors take you through an on-ice experience complete with resurfacing the ice. (limited to 15-minutes per person on the Zamboni)
